# A Prayer for Your Sponsored Child

My Heavenly Father,

I pray that you will care for this special child

Please comfort them when they are lonely

Feed them when they are hungry

Give their caregivers wisdom

And strength to care for them

Prepare their ways

So their paths would be straight

Prepare their hearts

So they would learn to love you

Prepare their minds

So they would discern the things of God

Bless my precious child!

ChildCARE Plus (CCP) offers hope to a child living with desperate need. Our CCP representatives, working in the community, know the specific needs of the child and their family and ensure that your monthly donation makes a real difference in the child's life. Your gift helps to provide your sponsored child with opportunities for education, nutritious food and health care. Most of all, the child receives spiritual nurturing and the Good News of God's love from someone who cares for them.

Your monthly sponsorship of \$34 helps to provide for a child's most basic needs. In many countries, children need school uniforms and shoes in order to attend even public school. Your sponsorship helps to provide these items so that they can receive a primary education. Other basic needs such as nutritious food helps children concentrate and learn in school and the provision of basic toiletries helps to create a healthy environment in which children can learn.

God's image

God made you special  
Each day God watches

clothes and the birds  
in colourful feathers

God will care for you!
