Dear Friend,

It's raining. Torrents of rain are flooding villages already shattered by China's most devastating earthquake. Even weeks after the initial shock the needs are so numerous and basic. I asked our partners in China what we could do to help. They didn't hesitate:

"Please send supplies for emergency shelters, food and clothing. We have nothing."

I am asking you to respond as quickly as possible.

We need to get supplies to China NOW. We will be purchasing through our channels in Asia, so the supplies can be delivered immediately.

#### Most urgent needs include:

Tarps for temporary shelter - \$15 each

Quilts and blankets - \$20 each

1 set of clothing - \$30 each

Household Pack - \$55 each

*(includes cooking pots and pans, utensils, candles, soap, water containers and mosquito nets)*

Seeds and tools for farming - \$190 each

Please, tell other members in your congregation. Tell your neighbours. We can deliver these supplies directly to the people in greatest need.

I know I can count on you.

Sincerely,

Kelvin Honsinger  
Executive Director, ERDO

*P.S. Go to [www.erdo.ca](http://www.erdo.ca) to give immediately. Or call 1-800-779-7262. We need to get supplies to the people as quickly as we can.*
